

# ARMIN EISA BEIGLOO

## Junior Network Engineer | NOC Engineer | Network Support

Urmia | Open to Tehran, Tabriz, Isfahan and Shiraz  
09143653545 | armin9352226@gmail.com | linkedin.com/in/armin-isa-59a62942b

### PROFESSIONAL SUMMARY

Network engineering candidate focused on Cisco-based enterprise networking. Hands-on experience designing, implementing, and troubleshooting enterprise network scenarios using GNS3 and Cisco Packet Tracer. Currently studying CCNP Enterprise (ENCOR 350-401), with practical knowledge of switching, routing, STP, EtherChannel, OSPF, EIGRP, BGP, route filtering, and network troubleshooting. Seeking a Junior Network Engineer, NOC, or Network Support role to apply and develop these skills in a production environment.

### TECHNICAL SKILLS

**Networking:** TCP/IP, IPv4/IPv6, VLAN, 802.1Q Trunking, Inter-VLAN Routing, STP/RSTP/PVST+/MST, EtherChannel, VTP, Static Routing, PBR, OSPF/OSPFv3, EIGRP, BGP, Route Filtering, Route Maps, Prefix Lists, VRF, FHRP/HSRP, Basic Multicast

**Cisco:** Cisco IOS, Routing & Switching, CLI Configuration, Verification and Troubleshooting

**Tools:** GNS3, Cisco Packet Tracer, Wireshark, Linux

**Automation:** Basic Python; Ansible — Learning

### HANDS-ON PROJECTS

#### Cisco Enterprise Network Lab — GNS3

- Designed and implemented Cisco IOS enterprise network scenarios in GNS3.
- Implemented VLANs, 802.1Q trunks, STP/RSTP/MST, EtherChannel, VTP, and inter-VLAN routing.
- Configured and troubleshot static routing, PBR, EIGRP, OSPF, OSPFv3, BGP, eBGP/iBGP, VRF and route redistribution.
- Implemented route filtering using prefix lists and route maps, including BGP communities.

#### Network Troubleshooting Labs

Created intentional switching and routing failure scenarios and used Cisco IOS verification commands to isolate configuration and control-plane issues.

### CERTIFICATION / TRAINING

#### CCNP Enterprise — In Progress

ENCOR 350-401

Currently studying Cisco CCNP Enterprise and developing hands-on enterprise networking skills through GNS3-based labs.

### EDUCATION

#### Bachelor of Food Science and Food Industries Engineering

Saba University, Urmia | 2013 (1392)

### WORK EXPERIENCE

#### Self-Employed / Freelance

Professional freelance work; details can be tailored to the actual activity.

### LANGUAGES

**English:** A2 — Basic
